

DEFEND YOUR SIERRA FROM THE DAILY GRIND

Manufactured from strong, durable UV-protected and OEM-approved paintable plastic. Fender flares from EGR are engineered to help reduce damage that can occur at the worksite or on the road. Available in two “looks.”

RUGGED FENDER FLARES

This rugged look delivers added protection against dirt and road debris, plus widens the rim of the wheel wells. Its bolder appearance provides extended width for better tire coverage and increased height profile.

- 1.5 inches of additional tire coverage
- 6-inch flare height
- .138-inch-thick acrylic-capped ABS

“BOLT-ON LOOK” FENDER FLARES

With mounting holes inset for a more aggressive look, these flares provide additional width to cover larger, wider tires. The paintable ABS material stands up to all kinds of road debris and weather extremes.

- 1.5 inches of additional tire coverage
- 6-inch flare height
- .138-inch-thick acrylic-capped ABS

EGR FENDER FLARE ADVANTAGES:

- Helps protect truck sheet metal from debris
- Robotically trimmed for a precision fit
- Fits 5' 8", 6' 6" and 8' truck beds
- Features real stainless steel bolts for uncompromising detail
- No drilling required — uses existing OEM holes and/or fasteners
- Lightly textured Black finish
- Easy to paint to match to vehicle, or leave unpainted
- Thicker, 100% UV-stable, OE plastic
- OEM quality and hardware
- Available in 4-piece sets
- Limited lifetime warranty**
